work in accordance with the Contract Documents. The work to be done shall include the following:

AS OUTLINED IN ATTACHED EXHIBITS AND PROPOSAL

1.3 If the CONTRACTOR is of the opinion that any services requested hereunder are beyond the scope of the Work as provided in the Contract Documents, the CONTRACTOR shall promptly notify the City in writing of such opinion and the reasons for the same, with specific references to the Contract Documents.

1.4 No additional services beyond the scope of the Work as provided in the Contract Documents shall be performed by the CONTRACTOR unless the City shall, in writing, have specifically directed such services to be performed, and a Change Order (hereafter defined) shall have been signed by the City and the CONTRACTOR. Unless the CONTRACTOR requests a modification in such Change Order, the CONTRACTOR shall sign the Change Order and return a copy thereof to the City within ten (10) business days after it has received the same. The CONTRACTOR shall have ten (10) business days from its receipt of a Change Order within which to request a modification thereto. If CONTRACTOR requests a modification of a Change Order, the City shall have ten (10) business days from receipt of such request to accept such modification in writing. If City has not responded within ten (10) business days, such request is deemed to be rejected.

Should the CONTRACTOR anticipate exceeding the Contract Price, the CONTRACTOR shall notify the City in writing and request a Change Order stating in detail the reasons why the Contract Price will be exceeded and the CONTRACTOR's best estimate of the number of hours and additional expenses the CONTRACTOR will require to complete the work. If a request to increase the Contract Price is made but not accepted, the CONTRACTOR shall still be obligated to continue providing services until the work is completed. If the City and the CONTRACTOR agree upon a modification to the Contract Price, a Change Order shall be issued with respect thereto.
