MEMORANDUM

TO: Megan McGowen Crouch, City Manager
FROM: Will Mathews, Executive Director Public Safety Services
DATE: June 25, 2024
RE: Purchase of three police motorcycles

I am recommending the purchase of three (3) 2024 Harley-Davidson Electra Glide police motorcycles. One of these motorcycles is a replacement for unit 168, a damaged 2016 Honda ST1300. Two of the motorcycles will be expansion vehicles that are needed to support special events and traffic enforcement. An invitation to bid was publicly advertised on May 20, 2024. One responsible bidder, Momentum Holdings d/b/a Redstone Harley-Davidson, submitted three bids. The cumulative cost of the vehicles will be \$83,655.66 based on the provided quotes, which includes all upfitting of emergency equipment. This vendor can provide parts and service for the upkeep of these vehicles.

A FY24 budget adjustment has been requested to support this purchase. The vendor will have the vehicles available for delivery 45 days after the receipt of a purchase order.

RESOLUTION No. _____

WHEREAS, the City Council of the City of Auburn, Alabama, recognizes that it is in the best interest of the City of Auburn to purchase three (3) 2024 Harley-Davidson Electra Glide police motorcycles; and

WHEREAS, the City of Auburn solicited sealed bids as required under Alabama Law; and

WHEREAS, sealed bids were opened on June 24, 2024, and Momentum Holdings, d/b/a Redstone Harley-Davidson, was identified as the lowest congregate and most responsible bidder meeting the specifications.

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Auburn, Alabama, authorizes the City Manager to execute a contract with Harley-Davidson of Madison, Alabama, to purchase three (3) 2024 Harley-Davidson Electra Glide police motorcycles at a total price of \$83,655.66.

ADOPTED AND APPROVED by the City Council of the City of Auburn, Alabama, this the 2nd day of July 2024.

Mayor

ATTEST:

City Manager

Suspension Travel	
• Front Wheel	4.6 in. (117 mm)
• Rear Wheel	3 in. (76 mm)

1 North America security system includes immobilizer; outside North America, the security system includes immobilizer and siren.

2 Measurement reflects 180 lb. (81.7 kg) operator weight.

3 Values shown are nominal.

4 The combined fuel economy numbers were derived using a combination of estimated city and highway values. Fuel economy estimates are derived from US EPA exhaust emission certification data on a sample motorcycle from the corresponding family under ideal laboratory conditions. Your actual fuel economy will vary depending on your personal riding habits, road and driving conditions, vehicle condition and maintenance, tire pressure, vehicle configuration (parts and accessories), and vehicle loading (cargo, rider and passenger weight). Break-in mileage may vary.

Visit H-D.com/Police for additional specifications and available color options.
