FLEXIBLE SPENDING ACCOUNT (FSA)

WEX, Inc.

www.wexinc.com / 866-451-3399

The City of Auburn offers Flexible Spending Account (FSA) benefits through WEX. FSAs allow you to save money on your eligible health care and/or dependent care expenses every year by using pre-tax dollars. **This is the only benefit election that does not automatically roll over, your FSA contribution must be re-elected every year.** You can obtain full policy documents and FSA enrollment forms by contacting Human Resources.

How an FSA Works

Upon enrollment, you choose the dollar amount you want to contribute based on your estimated upcoming Plan Year expenses, **up to \$3,300 for medical expenses and or \$5,000 for dependent care expenses.** Your contributions will be deducted in equal amounts from your paychecks, pre-tax, throughout the Plan Year.

Reimbursements / Debit Card

As you incur eligible expenses, you may submit a request for reimbursement through WEX's website, text message, mobile app, fax, or mail. For additional convenience, you will be issued a Debit Card to directly access your Flexible Spending Account funds when paying for eligible expenses at the point of purchase. This eliminates the need for requesting reimbursement. Keep in mind, some purchases will require additional substantiation as most doctor's offices, hospitals, dental providers, etc. do not utilize the Inventory Information Approval System. Keep any medical, prescription drug or other eligible receipts for verification purposes.

FSA Eligible Expenses

Flexible Spending Account (FSA) funds may only be used for eligible expenses under your healthcare FSA and/or dependent care FSA. Some eligible expenses include: medical, dental and vision care services. Complete lists of eligible and non-eligible expenses can be found by visiting www.irs.gov.

Lower your taxable income by paying for your healthcare and dependent care expenses with pre-tax dollars!!

Dependent Care FSA

The Dependent Care FSA enables you to pay for out-of-pocket qualified expenses for dependents that allow you/your spouse to work or attend school full time.

Qualified Dependent Care arrangements include:

- A Dependent (Day) Care center
- An Educational Institution for pre-school children
- An "Individual" who provides care inside or outside your home (with licensing and Tax ID number)
- After School Care

You may contribute up to \$5,000 to your Dependent Care FSA for 2025. You and your spouse may each contribute up to \$2,500 if you are married and filing separately.

Please Note: Day-care expenses must be incurred (not just paid) in order to receive reimbursement. If you pre-pay day-care, please submit only as incurred.
