

AUBURN
PARKS & RECREATION

**2026 EVENTS
CALENDAR**

ANN PEARSON PARK

Dear Auburn Residents and Friends,

Welcome to the Parks and Recreation 2026 Events Calendar! As we step into a new year, I'm filled with excitement and gratitude for all that's ahead. 2025 was a year of growth and momentum, and 2026 promises even more opportunities to connect, celebrate, and enjoy everything our community has to offer.

The beginning of 2025 brought the opening of Lake Wilmore Park, adding amenities that make it a true gathering place for Auburn residents. The campus boasts a gymnasium, fitness center, walking track, pool, pickleball courts, athletic fields and a playground. We're excited to bring new programs to this facility that will keep the community moving and engaged all year long.

We're also thrilled about the progress at the Boykin/Donahue Campus, which will introduce Auburn's first splash pad, a brand-new Cultural Center, and a new branch of the Auburn Public Library. It's a one-of-a-kind space where families, artists, and neighbors can come together to learn, create, and play.

In 2025, we proudly opened Ann Pearson Park, a beautiful new addition to our city's green spaces. Featuring 2.5 miles of scenic trails, open fields, a community pavilion, and a playground, this park has quickly become a favorite destination for families, walkers, and nature lovers alike.

Across the city, we're making strides with the Richland Park Master Plan and upgrades to the Wire Road Soccer and Auburn Softball complexes, continued improvements to the Town Creek Trail network, and the addition of lights at the Martin Luther King Park field. These improvements will make our parks safer, more accessible, and even more enjoyable for everyone.

As Auburn continues to grow, so does our commitment to offering meaningful programs for all ages. In 2026, we're expanding youth sports, Therapeutics offerings, and programs for adults of all ages, while adding new fitness, arts, and community classes. Our award-winning tennis and athletics programs will keep drawing players from across the state, and our signature events will continue to bring neighbors together in celebration.

At Auburn Parks and Recreation, we believe that parks are more than places where stories are shared, friendships are formed, and memories are made. The work we're doing is about creating spaces where everyone feels welcome and connected.

Thank you for being part of our journey. I look forward to seeing you at our parks, programs, and events throughout 2026!

Warm regards,
Alison S. Hall
Director, Auburn Parks and Recreation
