ZUMBA GOLD

Zumba Gold was designed for the older, active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba Basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **Please be aware this class will be a pre-recorded video played in-person at the Harris Center until the instructor returns from maternity leave in mid-October. FREE to the public.**

SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. **Please be aware this class will be a pre-recorded video played in-person at the Harris Center until the instructor returns from maternity leave in mid-October. FREE to the public.**

LOW IMPACT CARDIO/SCULPT

This class is led by a certified fitness instructor and designed to give maximum cardiovascular benefits with little stress on the joints. Muscle building and strengthening exercises are incorporated with low-impact cardio movements designed to tone muscles and increase cardiovascular endurance. This workout also includes balance and stretching exercises, which we need as we age. Please bring an exercise mat (example: yoga mat). Lightweights (no more than 2-3 pound handheld weights, soup cans, water bottles, etc.) are encouraged but not mandatory. Participants are encouraged to modify and work out at his/her own pace and modifications are shown by the instructor. **FREE TO THE PUBLIC.**

A chair is used for seated exercises and standing support. **Non-Silver Sneakers Members must pay \$5 to instructor first day of class. The payment will cover the whole quarter.**

YIN YOGA FOR HEALTH AND HAPPINESS

Yin Yoga is a little different than the "typical" yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. Participants will need to provide a mat, towel or small lap blanket, yoga strap and possibly a yoga bolster. **FREE to the public**

OCTOBER 17TH: ALABAMA SAFARI PARK WAGON TOUR & SLOTH ENCOUNTER, HOPE HULL, AL

Alabama Safari Park is a 350 – acre drive -thru adventure. View wild animals from the comfort of a wagon in the most natural environment possible. The animals are free to run, play, jump, frolic, and swim as they wish! Ride over three miles of maintained gravel road and feed the animals through your windows! But don't be in a hurry. The animals often block your path...or lay flat-out in the sun...the choice is theirs! If you miss any animals or want to take a snack break, make another drive-through. You can Safari Again on the same day as your visit. Not only are our animals

free to roam, but they follow their instincts. You'll see the animals as you've never seen them before. You'll see males spar and challenge each other for the attention of the females. You may see mothers and babies. Sometimes visitors are lucky enough to observe a birth in progress and watch as the baby takes its first steps! We encourage interaction by allowing visitors to feed the animals with our specialty grain mixture. Our staff is dedicated to helping guests appreciate our animals in the beautiful and natural setting of Alabama. The experience of having a huge camel or deer only inches away, feeding from your bucket, is virtually impossible to describe. This unique animal encounter park appeals to all ages and is quickly becoming one of the region's top attractions. We will also experience a sloth encounter. Whether they're just hanging out, taking a snooze, or moseying along to reach a tasty treat, our oddly adorable two-toed sloths, are as delightful as sloths can be! In the Sloth Encounter, you'll get up close to feed and learn about these gentle creatures and discover that while they're slow-movers, they are loaded with personality. Have your camera ready to capture this unique animal experience. **\$50/participant.** The cost of the trip includes admission and transportation. Please bring extra money for lunch.

GOLF

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team.

PICKLEBALL

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Pickleball and Tennis Center pickleball courts. There are also two courts at the Frank Brown Recreation Center. E-mail auburnpickleball@gmail.com or visit auburnpickleball.edublogs.org. **FREE to the Public.**

Practices take place throughout the year with the help of local Special Olympics volunteer coaches. You must be at least 8 years of age and meet the requirements of the Alabama Special Olympic Guidelines in order to participate. *COVID-19 note: We are waiting on direction from Special Olympics National for all spring sports. Please stay tuned; as soon as we have more information we will distribute it to everyone.

AQUATICS PRACTICE

Swimming is one of the most popular sports in world. Unlike other sports, swimming is a life skill that is taught, first, to ensure safety and, secondly, for sports and competition purposes. Aquatics covers a great variety of swimming skills, from short sprints to longer events and relays. Tournaments are in fall and spring and practice ends just before State Games in May 2023.

BOCCE PRACTICE

The basic principle of the sport is to roll a bocce ball closest to the target ball, which is called a palina. Bocce as a Special Olympics sport provides people with special needs the opportunity to have social contact, develop physically and to gain self-confidence. Next to soccer and golf, bocce is the third most participated sport in the world. Practice will continue through May 2023 and ends with State Games.

BOWLING PRACTICE

Although Bowling does not belong to the Olympic sports, it is among the most popular sports in Special Olympics. It is a particularly beneficial sport to people with intellectual disabilities, irrespective of their age or sports abilities, since it ensures physical exercise and at the same time participation and social integration. Plus, it's great fun! Athletes will prepare for the early spring tournament and State Games. **\$2.50/game.** Practice will continue through May 2023 and ends with State Games.

POWERLIFTING PRACTICE

Every athlete aims in lifting more weights than the opponent using specific moves. In Special Olympics Powerlifting is much more than deadlift, squat or bench press. It is effort, persistence and loyalty. Training, determination and attitude, are the key facts that define the balance between a successful or a failed attempt. Practice will continue through May 2023 as athletes prepare for the State Games in May.

UNIFIED GOLF PRACTICE

Golf is a precision club and ball sport, in which competing players (or golfers) use many types of clubs to hit balls into a series of holes on a golf course using the fewest number of strokes. The game is played on golf courses, each of which features a unique design, although courses typically consist of either nine or 18 holes. Golf practice usually meets on Sundays, and adds Wednesday practices the 2-3 weeks leading up to a tournament. Tournaments are in the fall and spring and golf ends with State Games in May 2023.
