ZUMBA GOLD

Zumba Gold is designed for the older active adult, a person who has not been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It is just as much fun, just not as fast! Zumba Gold uses the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE.**

SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many unique styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a wonderful way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. Chairs will be provided. **FREE.**

THE EMERALD CHANDELIER TEA ROOM - GRIFFIN, GA

The Emerald Chandelier offers a full Tea House experience and a Gift Shop. The house is very colorfully decorated with paint, wallpaper and drapes. They embrace the "Grandmillennial Style" of decorating which is an updated take on a traditional style with old-school design trends (think: skirted tables, patterned upholstery, floral wallpaper, and richly stained wood furniture) with a fresh spin for the 21st century. By mixing in a few modern elements, the style is nostalgic and comfortable without looking kitschy. The Emerald Chandelier offers several different tea experiences. This tea experience will include miniature versions of traditional English tea foods with an Emerald twist! The menu changes with the seasons and is all pre-determined by the house. **\$60.**

GOLF

Pines Crossing Golf Course, formerly known as Indian Pines, is an 18-hole public golf course located at 900 Country Club Drive in Auburn, adjacent to Opelika. In 2005, the course was cited by "Golf Digest" in their rating of Auburn as the "best golf city in America." Recently redesigned by Golf Course Architect Bill Bergin, Pines Crossing is a par 72 course measuring 7,031 yards with TifEagle greens and TifTuf fairways. Pines Crossing offers a variety of tees for all skill levels as well as a newly designed practice facility and short game area.

Pines Crossing was originally constructed in 1946 as the Saughatchee County Club, a nine-hole course. The first tournament was held on July 4, 1947. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Pines Crossing hosts the Bill Hall Memorial Invitational, an amateur event tournament drawing 200 participants. Golf lessons are taught by three professionals on site: Fred Holton, PGA General Manager/Professional; Jerry Bavaro, PGA Head Golf Professional; and Brian Sturz, PGA Member. To register for golf lessons or to learn more about Pines Crossing, please contact (334) 821-0880. For tee times and more information, visit pinescrossing.com

PICKLEBALL

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on six pickleball courts at the Samford Pickleball and Tennis Center. TAI CHI

This gentle form of exercise can help maintain strength, flexibility, and balance, and could be the perfect activity for the rest of your life. A growing body of carefully conducted research is building a compelling case for tai chi as an adjunct to standard medical treatment for the prevention and rehabilitation of many conditions commonly associated with age (Harvard Medical School, May 24, 2022). Tai Chi is a low impact form of exercise involving slow, or little movement with a focus on body positioning, balance, posture, and relaxation. Regular practice of tai chi increases flexibility, muscle strength, and bone mineral density. Tai chi promotes health and mobility through slow movements and prolonged deep breathing. It is also a martial art with practical self-defense applications. It can be practiced alone or with others and requires very little space to practice in. **\$100 per quarter or \$8 per class. \$50 per quarter if only taking one class per week.**

SCIENCE ON SATURDAYS: RAPTORS

Raptors are birds of prey characterized by sharp beaks and powerful talons! The group includes eagles, owls, hawks, and many others. At this program, representatives from Auburn University's Southeastern Raptor Center will visit the Kreher Preserve & Nature Center to show you some of these incredible birds, up-close and in-person. The program will include a variety of live raptors, most native to Alabama, and you will learn all about their habitat, natural history, and the challenges facing these majestic creatures. The Southeastern Raptor Center rehabilitates hundreds of injured, ill, and orphaned raptors annually. The Center also houses a number of raptors that are non-releasable including those that will be present at the program.

Tickets are \$5 (\$4 for members) and available on our website or at the door; children 3 and under are free. Cancelled in the event of rain – please watch our Facebook page for updates.

AUBURN AREA COMMUNITY THEATRE (AACT) ADULTS PERFORMS "THE GAME'S AFOOT"

For May 2024, AACT presents a comedy thriller, written by award winning Ken Ludwig. It is 1936, and Broadway star William Gillette, admired the world over for his leading role in the play Sherlock Holmes, has invited his fellow cast members to his estate for a weekend of revelry. When one of the guests is stabbed to death, the festivities in this house of tricks and mirrors turn dangerous. It's up to Gillette himself, as he assumes his on-stage persona of Detective Sherlock Holmes, to track down the killer before the next victim falls. It would help if the bodies would just stay put! The danger and hilarity are non-stop in this glittering whodunit directed by Andrea Holliday. **\$12/Adults, \$10/Children, Seniors Tickets are available at AuburnACT.org.**
