Volunteer Spotlight Nancy Melkerson

Nancy moved here in April of 2003 when her husband got a job at Neptune Technology Group in Tallahassee. She has made some good friends through volunteering that she may not have met otherwise. She really enjoys volunteer gigs that let her be part of the event & not just a bystander. She enjoys welcoming people to our area and helping with non-profit events in particular. Many opportunities include perks like a meal, a shirt, and/or event swag which make her feel appreciated. A fun fact about Nancy is that she likes to eat candy in tiny bites because lasts so much longer. Her favorites are Twix bars and peppermint nougats. Nancy's favorite places are the Hubert & Grace Harris Center, the Frank Brown Rec Center, and the Jan Dempsey Community Arts Center where she has taught a few photography classes, worked out, and attended many fun activities and met quite a few friends. Nancy has been volunteering for over 50 years. She likes sharing her skills in event planning & management. She enjoys recurring/annual events because like Summer Night, Day in Clay, and Halloween. She also enjoys many events through the Volunteer AO program and Main Street Opelika.
