NOTES

For the recovery and your ability to prove ownership, a complete description of each firearm is vital to the investigation.

- 1. Assume all firearms are loaded
- 2. Always point the gun in a safe direction
- 3. Know your target and what is beyond
- 4. Lock up your firearm, separately from the bullets

EACH YEAR, THOUSANDS OF FIREARMS ARE REPORTED LOST OR STOLEN

By completing this record and maintaining it in a safe location, separate from your firearms, you are making an important effort to prevent theft and keep firearms out of the hands of criminals or unauthorized persons.
