

Welcome to Fall 2022 Rec Soccer!

Hello Parents!

Welcome to another exciting season for Auburn's youth rec soccer!

Practices start this week – if you have not been contacted by your child's coach, please reach out to Jason Burnett, our League Sports Coordinator (jburnett@auburnalabama.org).

We are excited for this coming season! We have a record amount of players signed up! It's great to see such steady growth. The fields are once again in great shape, which should help reduce the amount of cancellations or reschedules (game-time storms notwithstanding).

Here are some resources to help make your season more successful:

- [Soccer Parent Handbook](#)
- [The Cleat Closet](#) (our free soccer cleat exchange)
- **Free** [Soccer Parent Resource Center membership](#)
- [Modified Soccer Playing Rules for Auburn Recreational Leagues](#)
- Auburn Soccer Association's [Mission and Board of Directors](#)

Also, as of last season, Auburn Soccer Association is an official MOJO partner. The MOJO Sports app provides practice resources for our coaches, at home activities for players and parents, and centralized team communication. Your coach will provide your team's unique code, so that you can install MOJO and get connected. The app is available [here](#).

Thank You!
