Name of Development  
(Hereafter Referenced as "Development")

Watershed in which the Development is located

**New Development**  
**Post-development Stormwater Quality Criteria**

Parkerson Mill Creek Watershed	Moore's Mill Creek Watershed	Saugahatchee Creek Watershed	Lake Ogletree Watershed
<u>Target Pollutant</u> Pathogens (E-coli)	<u>Target Pollutant</u> Siltation (TSS)	<u>Target Pollutant</u> Nutrients (TP)	<u>Target Pollutant</u> Nutrients (TP) and Siltation (TSS)
<u>Target Load Reduction:</u>  <b>60%</b>	<u>Target Load Reduction:</u>  <b>80%</b>  AND: 1. Approved E&SC Plan 2. NPDES Permit	<u>Target Load Reduction:</u>  <b>50%</b>	<u>Target Load Reduction:</u>  <b>40% and 80% Respectively</b>

**Redevelopment**  
**Post-development Stormwater Quality Criteria Apply Unless:**

a.) the proposed post-redevelopment site condition will be more protective of water quality than the pre-redevelopment site condition as demonstrated by comparative modeling for target pollutant load for the design WQv (see Water Quality Site Development Review Tool).

OR

b.) the proposed post-redevelopment ISR is less than the pre-redevelopment ISR.

## Site Information

Development type:	New Development	Redevelopment
-------------------	-----------------	---------------

### Submittals For New Development:

<u>Water Quality Plan.</u> A map delineating each drainage basin within the Development and the BMP(s) used to provide WQ treatment for each basin.	Submitted?	
	Yes	No

Water Quality Site Development Spreadsheet Tool:	Yes	No
--	-----	----

### Submittals for Redevelopment:

Does post-development stormwater criteria apply? See a.) or b.) on page 1.	Yes	No
--	-----	----

If Yes:

<u>Water Quality Plan.</u> A map delineating each drainage basin within the Development and the BMP(s) used to provide WQ treatment for each basin.	Submitted?	
	Yes	No

Water Quality Site Development Spreadsheet Tool:	Yes	No
--	-----	----

If post-development stormwater criteria does not apply, please explain:

**By signing this document I acknowledge that I have read and understand Section 4 of the City of Auburn Water Resource Management Design and Construction Manual and all of the information provided has been prepared to the best of my knowledge and ability.**
